MEMORANDUM FOR: National Intelligence Officers
FROM : Coordinator for Academic Relations, NFAC
SUBJECT : Review of NIO Consultants

1. The Coordinator for Academic Relations is responsible for assisting the Director, National Foreign Assessment Center, in preparing an annual report on all consulting relationships. To facilitate this, I am soliciting comments from the NIOs on their experiences with consultants. Our primary interest is the usefulness of the consultants' input. But suggestions regarding ways in which their effectiveness might be increased will also be appreciated. General comment on the NIO consultants program will also be helpful.

2. Attachment A is a status report on consultants as of 23 April. Attachment B is a breakout of NIO use of consultants, both regular and ad hoc consultants, according to the records of the Academic Relations Staff. Any comments on, or additions or corrections to these tables would be appreciated.

3. In order that we may draw up an overall assessment, please have your comments to us by 4 May 1979. If you have any questions, please call me or
